

2023 International Conference on Power System and Smart Energy

SEPTEMBER 21-23, 2023 | BANGKOK, THAILAND

Call for Papers

2023 International Conference on Power System and Smart Energy (CPSSE 2023) is an international forum for the presentation of technological advances and research results in the fields of power system and smart energy, which is going to highlight and discuss topics on power system and smart energy in several formats like keynote speeches, invited lectures, technical sessions. On behalf of the organizing committee, we warmly welcome authors to submit your research papers to CPSSE 2023 and share your latest research results with other researchers from all over the world.

PUBLICATION & INDEXING

After a careful reviewing process, all accepted papers after proper registration and presentation, will be published in *The CPSSE 2023 Conference Proceedings*, which will be submitted to *Engineering Village*, *Scopus*, *Thomson Reuters (WoS)* and other databases for review and indexing.

SPONSORS & PARTNERS

Topics of interest for submission include, but are not limited to:

POWER SYSTEM

- ★ Power Systems Analysis
- ★ Power Systems Communications
- ★ Power System Relaying and Protection
- ★ Power System Stability and Control
- ★ Power System Transients
- ★ Power Systems Instrumentation and Measurement
- ★ Power Systems Operations, Planning and Reliability
- ★ Power generation toward low carbon
- ★ Power Electronics

SMART ENERGY

- ★ Renewable Energy (Wind power, Hydropower, Solar energy, Biomass, Geothermal Energy, Wave Energy, Tidal Energy, Hydrogen Fuel Cell)
- ★ New energy applications
- ★ Energy-saving technology
- ★ Power and energy generation
- ★ Energy transmission and distribution
- ★ Energy lot technology
- ★ Energy Management System
- ★ Energy management for microgrids

IMPORTANT DATES

Submission Deadline: May 25, 2023
Notification Of Acceptance: June 25, 2023
Registration Deadline: July 25, 2023

★ PAPER TEMPLATES

* All the submissions should be formatted according to the conference template.
